Dear Mr. Yoshida:

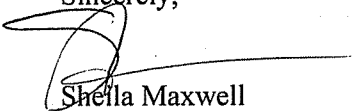

This will acknowledge and thank you for your proposal, RFP #01-2009, *Public Access Cable Channel Operator*. Based upon the funding criteria listed in the proposal requirements, and evaluation by our review committee, your offer was deemed non-responsive, and is therefore rejected.

If you wish to protest this determination, within five working days you may submit a written notice of protest. Such notice of protest must be received by the Department of Technology on or before 5:00 P.M., Friday, April 3, 2009. Protests must be delivered to: San Francisco Department of Technology, Contracts Administration, One South Van Ness Ave., 2nd Floor, San Francisco, CA 94103.

The notice of protest must include a written statement specifying in detail each and every one of the grounds asserted for the protest. The protest must be signed by an individual authorized to represent your firm in this matter, and must cite the law, rule, local ordinance, procedure or RFP provision on which the protest is based. In addition, the protestor must specify facts and evidence sufficient for the City to determine the validity of the protest.

All protest must be received by the due date. If a protest is mailed, the protestor bears the risk of non-delivery within the deadlines specified herein. Protests should be transmitted by a means that will objectively establish the date the City received the protest. Protests or notice of protests made orally (e.g., by telephone) will not be considered. Protests must be delivered at the department address above and or to: sheila.maxwell@sfgov.org.

Sincerely,
